Landmark Center embarks on a new season of Urban Expedition

Popular cultural/travel event series returns for its 13th season

ST. PAUL, Minn. (Dec. 13, 2016)—Relieve cabin-fever this winter and “travel” around the world with Landmark Center. The 13th season of international adventures kicks off on Jan. 22, 1-3 p.m. *Urban Expedition* is always free and features crafts, exhibits, music, dance and live animals. Also, food representative of the featured county is available for purchase.

“*Urban Expedition* is really a celebration of the Twin Cities community,” said Judy Brooks, Community Programs Director. “We partner with local community organizations to bring these events to life. Groups that represent each country’s Minnesota community, such as the American Danish Center, bring their wealth of cultural knowledge and share it with our audience at each Urban Expedition event. It’s a wonderful way to get a glimpse into a new country or culture and have a global experience without having to leave town.”

Urban Expedition Schedule

January 22 – Urban Expedition: Denmark

February 12 – Urban Expedition: Switzerland

March 12 – Urban Expedition: Colombia

April 9 – Urban Expedition: Togo

April 23 – Urban Expedition: Karen (Burma)

All events are presented by Minnesota Landmarks and are proudly sponsored in part by Ecolab and Travelers, RBC Wealth Management, Minnesota Parent, and Ramsey County. For more information visit www.landmarkcenter.org/urban.html.
