Vintage Saint Paul Tour Walks Back in Time

Popular Landmark Center Tour returns for a second year

SAINT PAUL, Minn. (July 11, 2016)—After two sold out dates in 2015, Landmark Center’s *Vintage Saint Paul Tour* returns this summer to take participants on an evening stroll back in time with visits to the Original Coney Island Café, Candyland, and the Saint Paul Hotel.

“Saint Paul has an abundance of great stories from years gone by,” said Judy Brooks, Director of Community Programs. “Guests are often nostalgic, and love hearing the stories retold in interesting ways or during a unique experience.”

The tour starts at Landmark Center, heads down Saint Peter Street past Mickey’s Diner, then makes its way to the Original Coney Island Café. Family-owned since 1923 and only open for special engagements, owner Mary Arvanitis will welcome the *Vintage Saint Paul Tour* guests with a classic Coney Dog, beverage, and stories from the long history of the beloved café where time stands still. Next, the tour stops at Candyland, a fixture in downtown Saint Paul since 1932, and savors some of its famous popcorn. Finally, the tour wraps up at the Saint Paul Hotel, where guests can enjoy drink specials and revel in the elegant atmosphere that has been the hotel’s hallmark for the last 100 years.

Vintage Saint Paul Tours are July 21 and August 31, 6:30 p.m. Tickets are \$30 and must be purchased online. Coney Island meal, Candyland popcorn, and Saint Paul Hotel drink specials are included in the ticket price.
