Be a Tourist in Your Own City

Take a free Saint Paul Walking Tour from Landmark Center

SAINT PAUL, Minn. (May 9, 2017)—Beginning June 14, and continuing through September, Landmark Center guides will lead three different walking tours of Saint Paul. Tours are free and operate on a rotating schedule, Wednesdays at 10 a.m.

“My favorite way to learn about a city is to walk around in it,” said Bob Wagner, a Landmark Center volunteer and creator of the walking tours. “There’s always something new to learn, whether you’re a lifelong resident or a visitor – maybe more so if you’ve lived here forever. People tend to take their hometowns for granted.”

The second Wednesday of each month, beginning June 14, the Rice Park Tour departs from Landmark Center’s Visitor Information Desk. The tour circles one of Saint Paul’s most iconic parks, and stops in the surrounding buildings which give the park its central role in city events and celebrations.

On the third Wednesday of each month, beginning June 21, the Heart of the City Tour departs from inside Landmark Center’s North Lobby (6th Street entrance). It travels down St. Peter Street pointing out some of the most famous landmarks and influential buildings in St. Paul’s history, including the Hamm Building and Mickey’s Dinner.

Finally, the Great River Tour begins at Upper Landing Park (Shepard Road and Eagle Parkway) and walks along the mighty Mississippi. It highlights buildings and locations that helped make Saint Paul the city it is today. It runs the fourth Wednesday of each month, beginning June 28.

All tours are FREE, operate June through September, and begin at 10 a.m. Space is limited. Reservations are required and open on a rolling basis, four weeks prior to each tour date.
