

# Butterfly Lantern

1

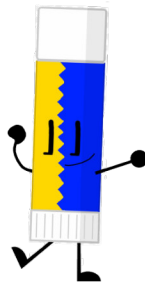

By Trần Thị Minh Phước and Bình An

## You will need:

- One chopstick (if not, roll newspaper to a thin, long stick)
- One-hole punch (if not, use scissors to cut small hole)
- Toilet paper tube, cut into 2 equal-sized pieces
- Adhesive jewel assortment (optional)
- Printable butterfly templates
- 16 inches of yarn or string
- Markers or crayons
- Colored papers
- Glue stick
- Scissors

Voilà!

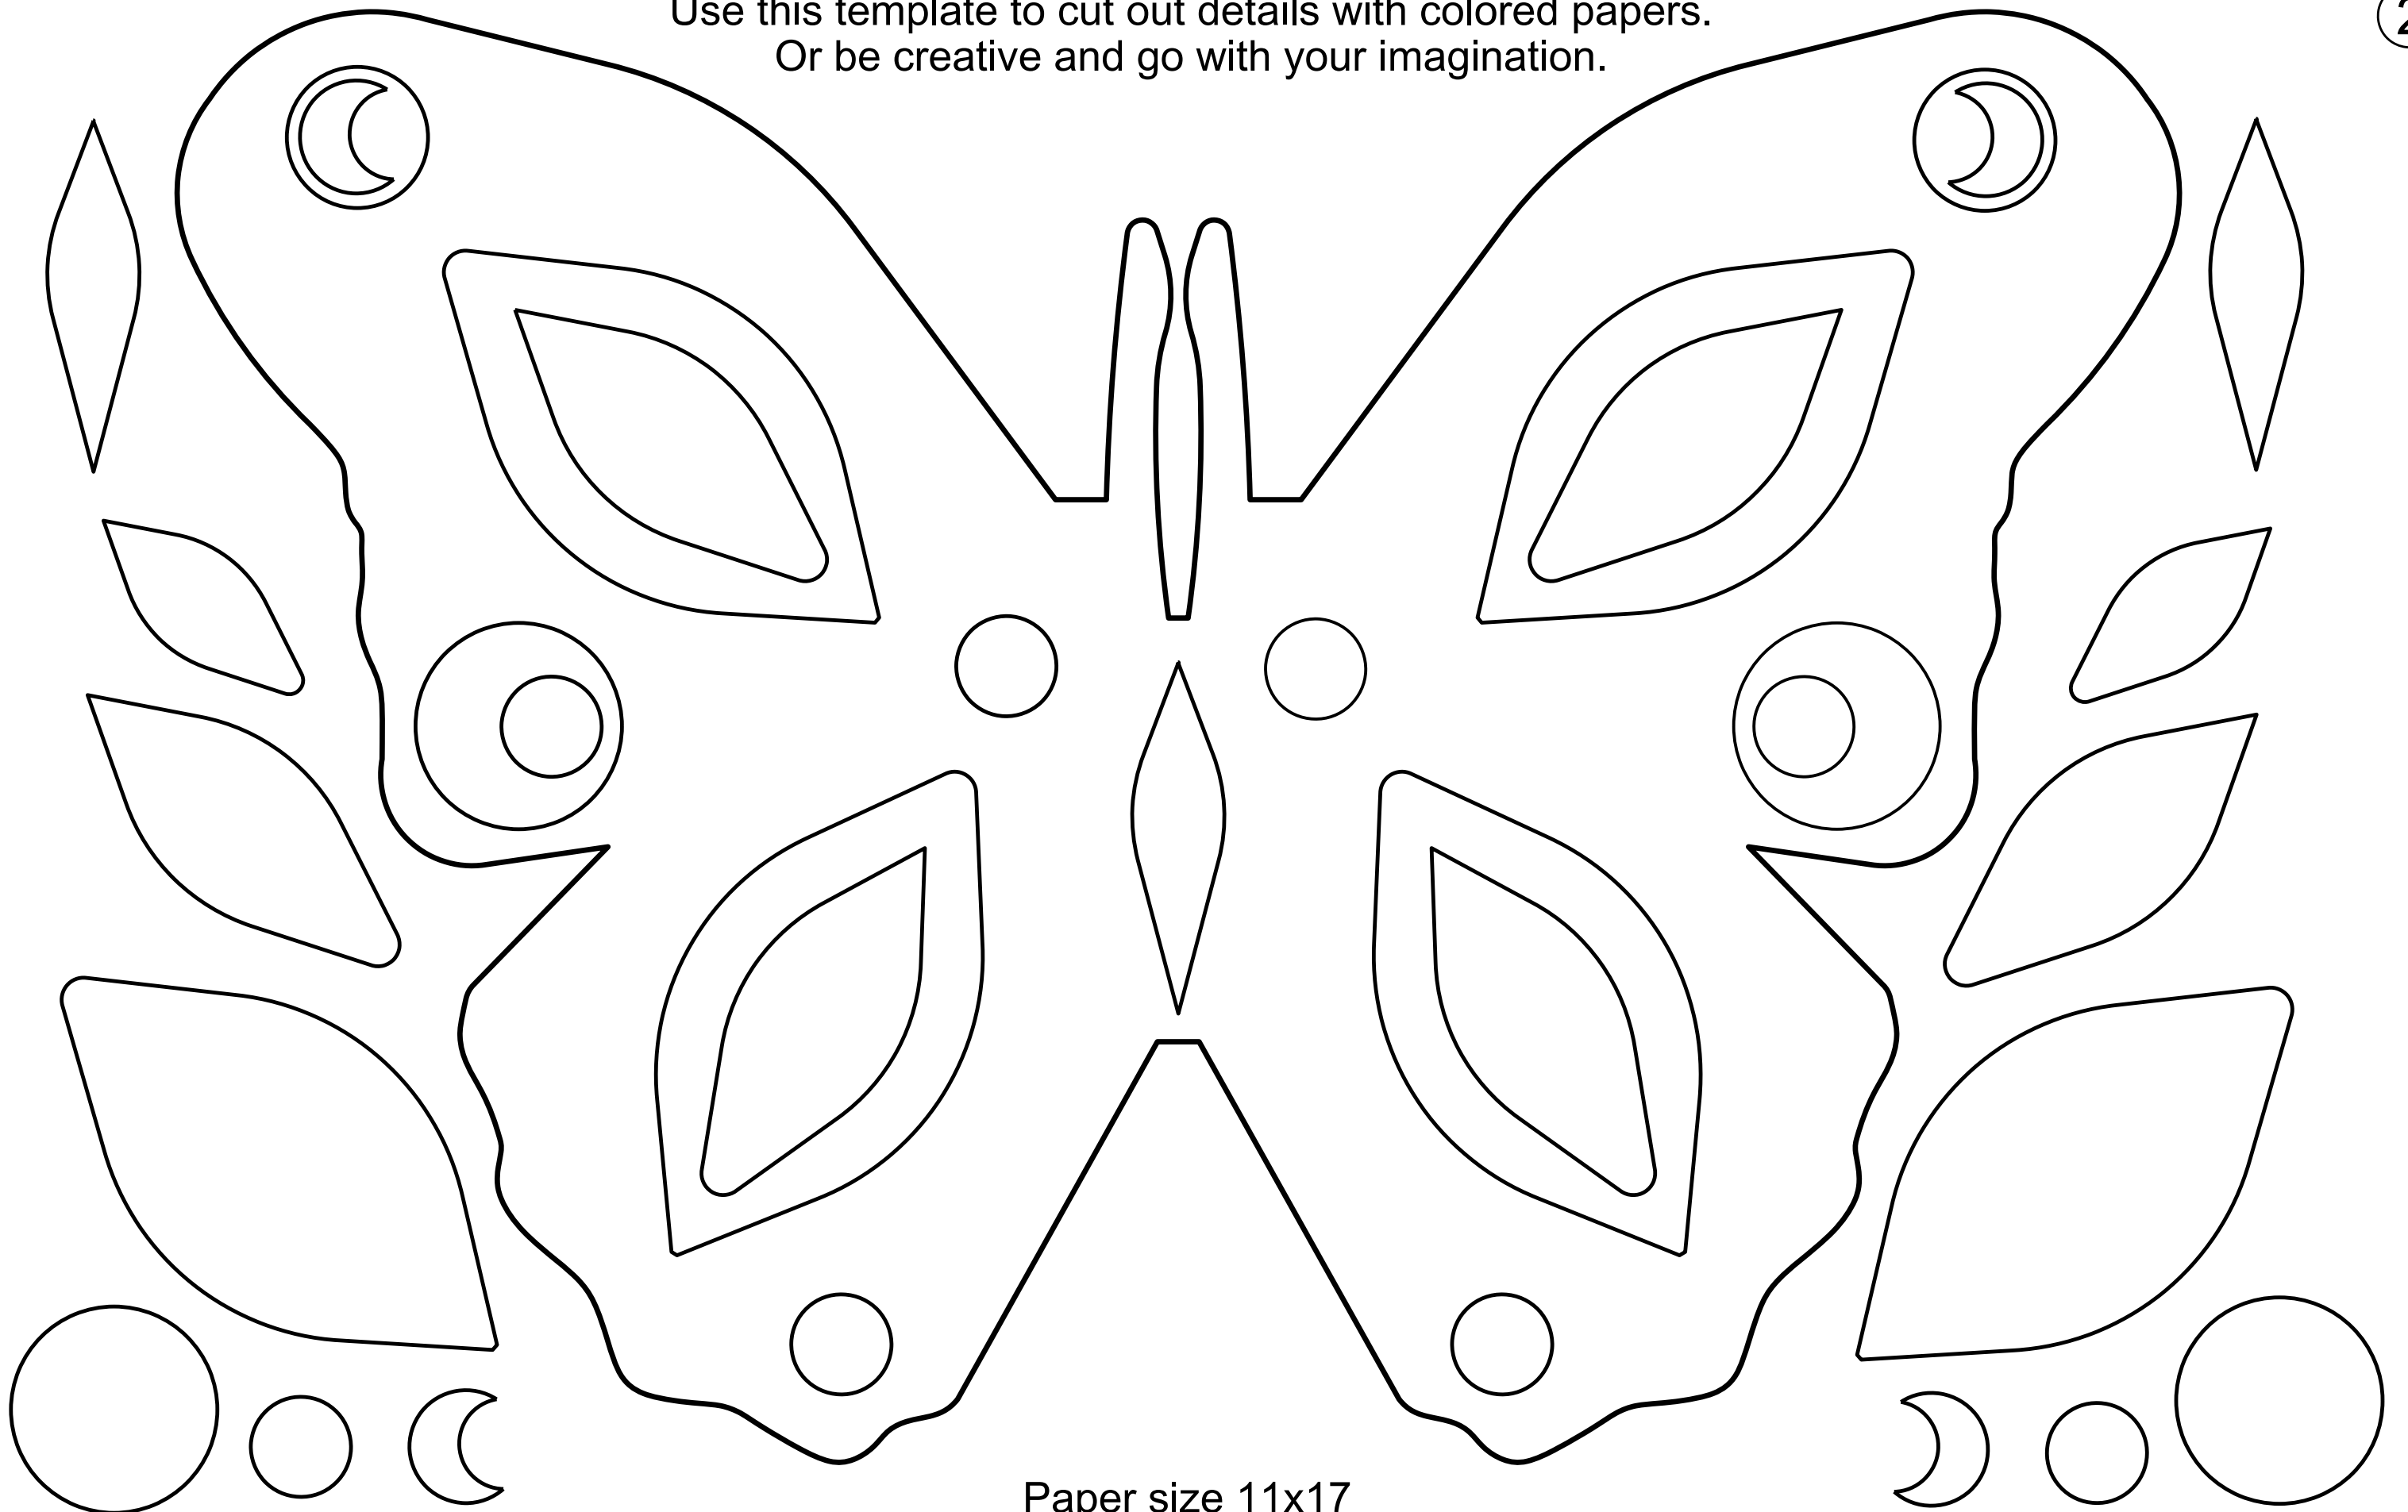

You are done  
and ready for the  
**Lantern Parade!**

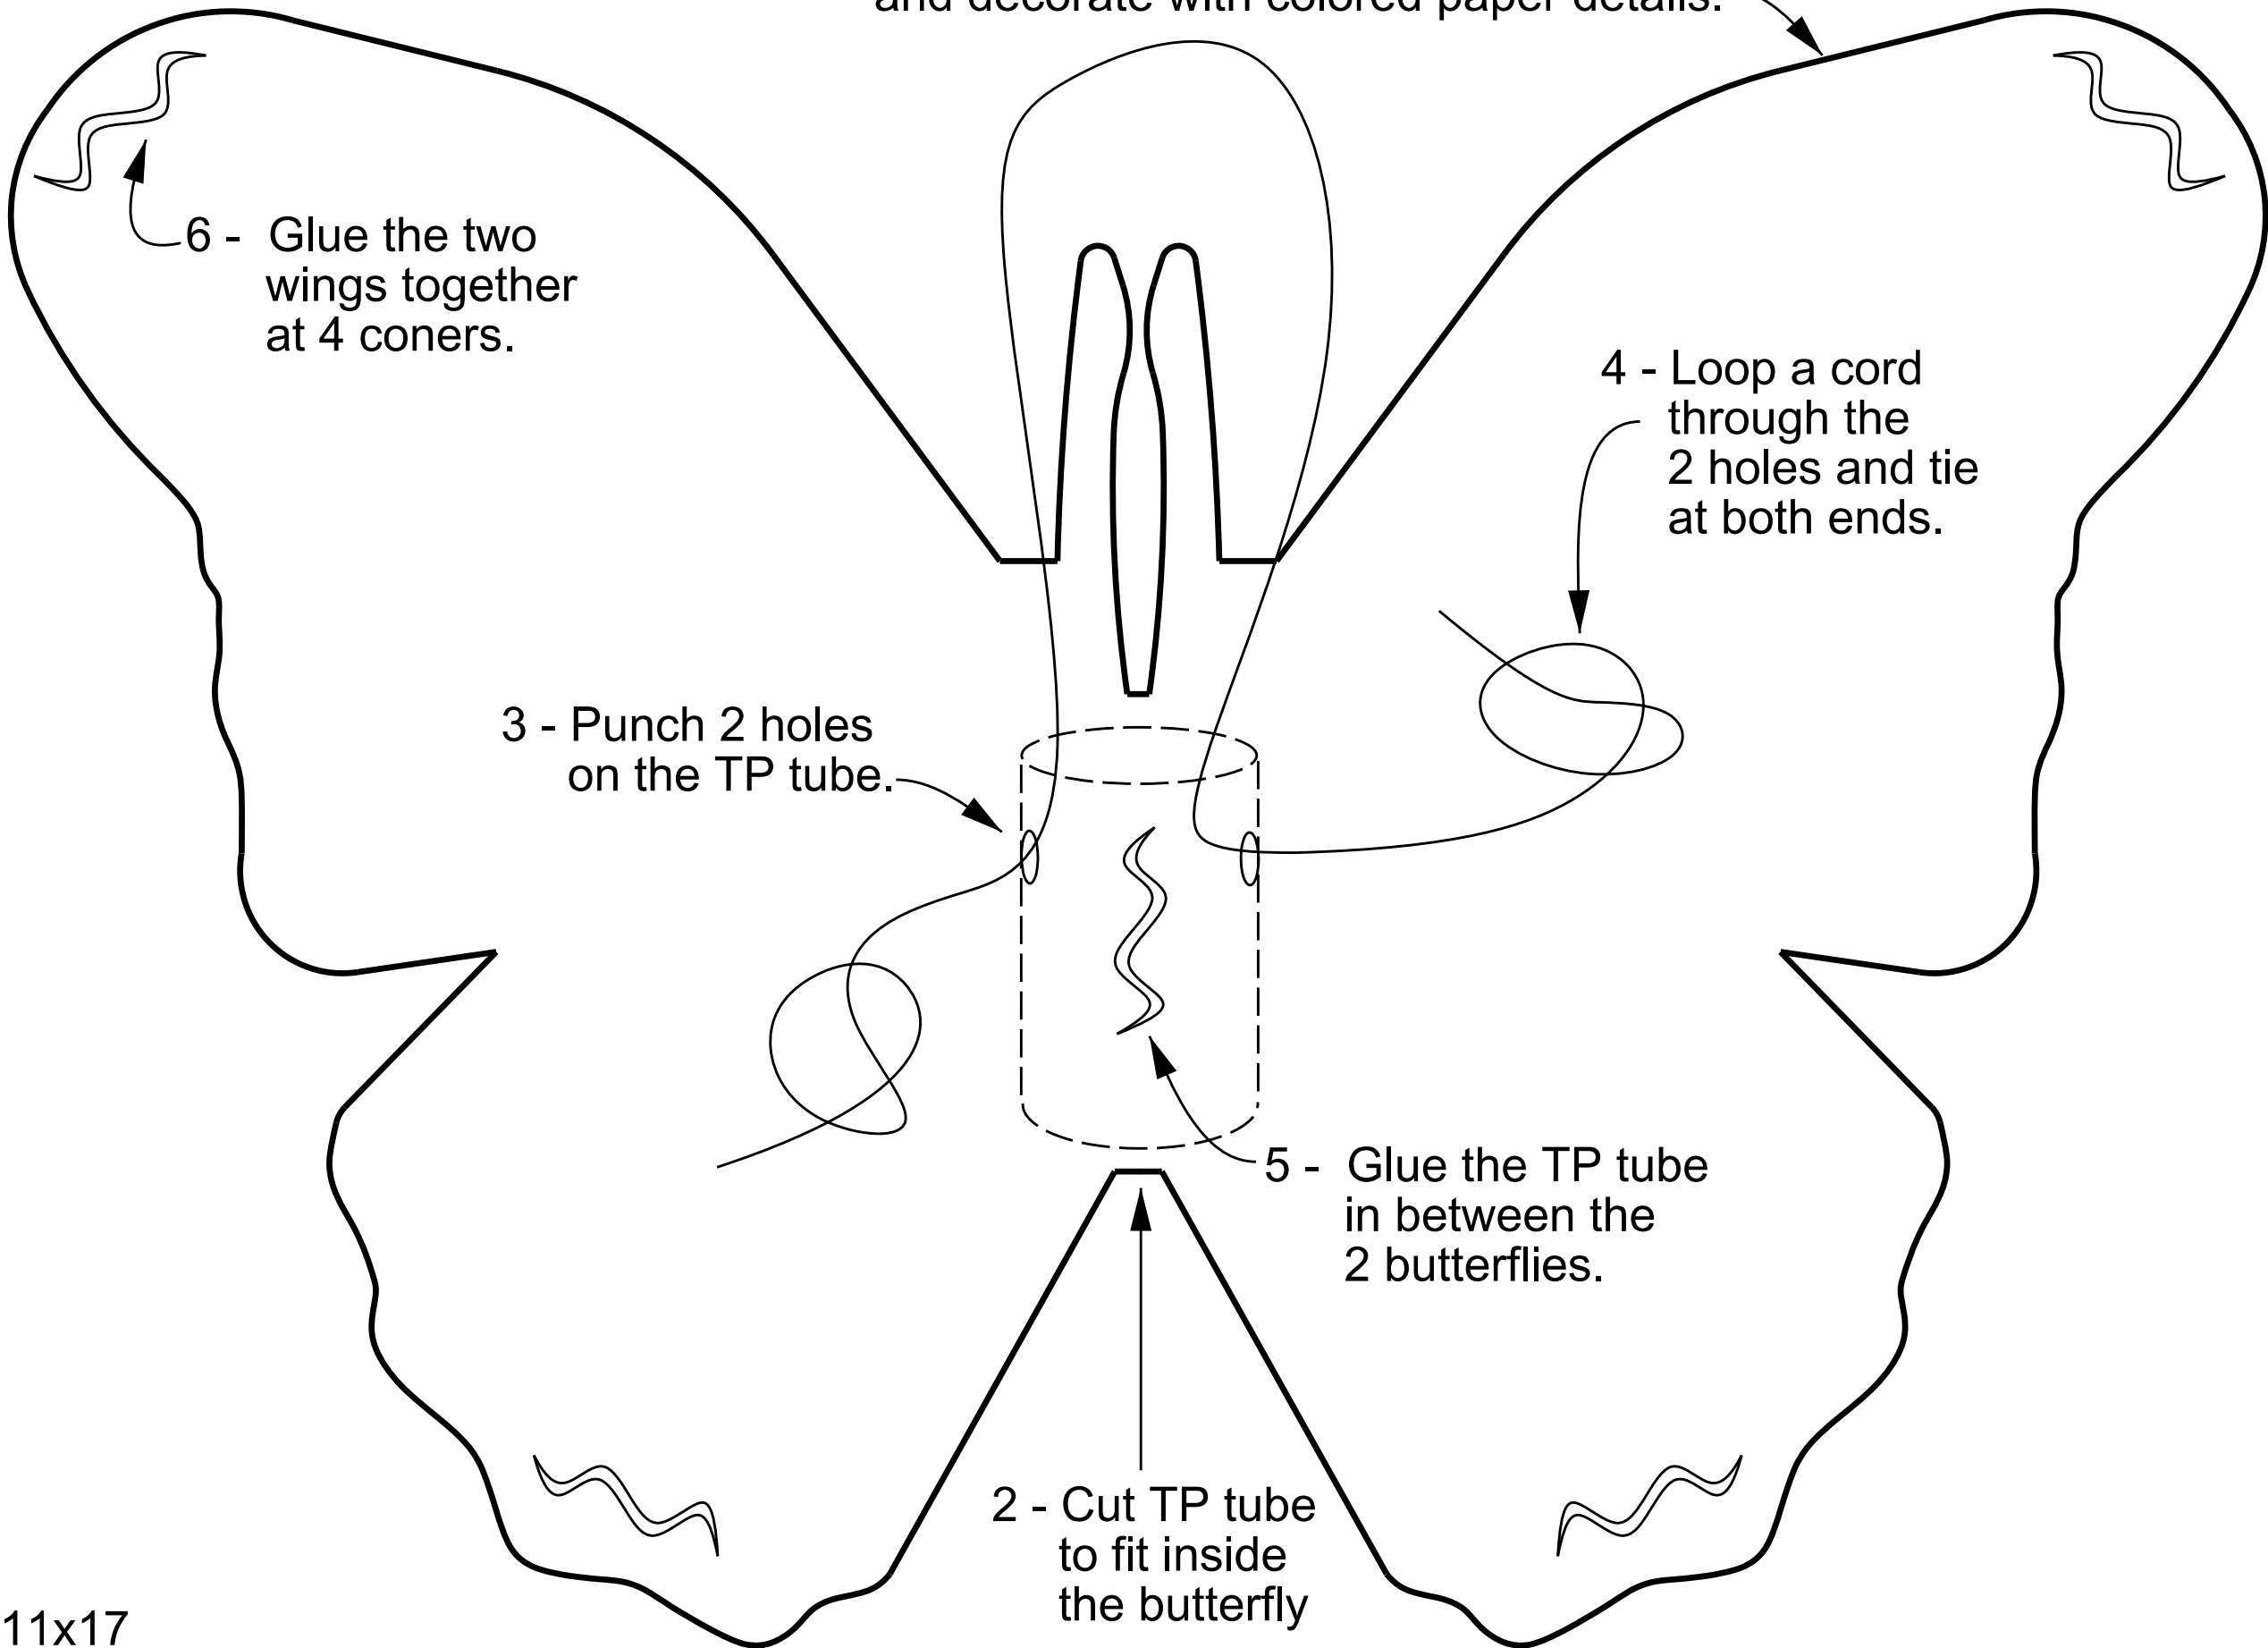

Use this template to cut out details with colored papers.  
Or be creative and go with your imagination.

2

Paper size 11x17

1 - Cut 2 butterflies per paper template and decorate with colored paper details.

6 - Glue the two wings together at 4 corners.

4 - Loop a cord through the 2 holes and tie at both ends.

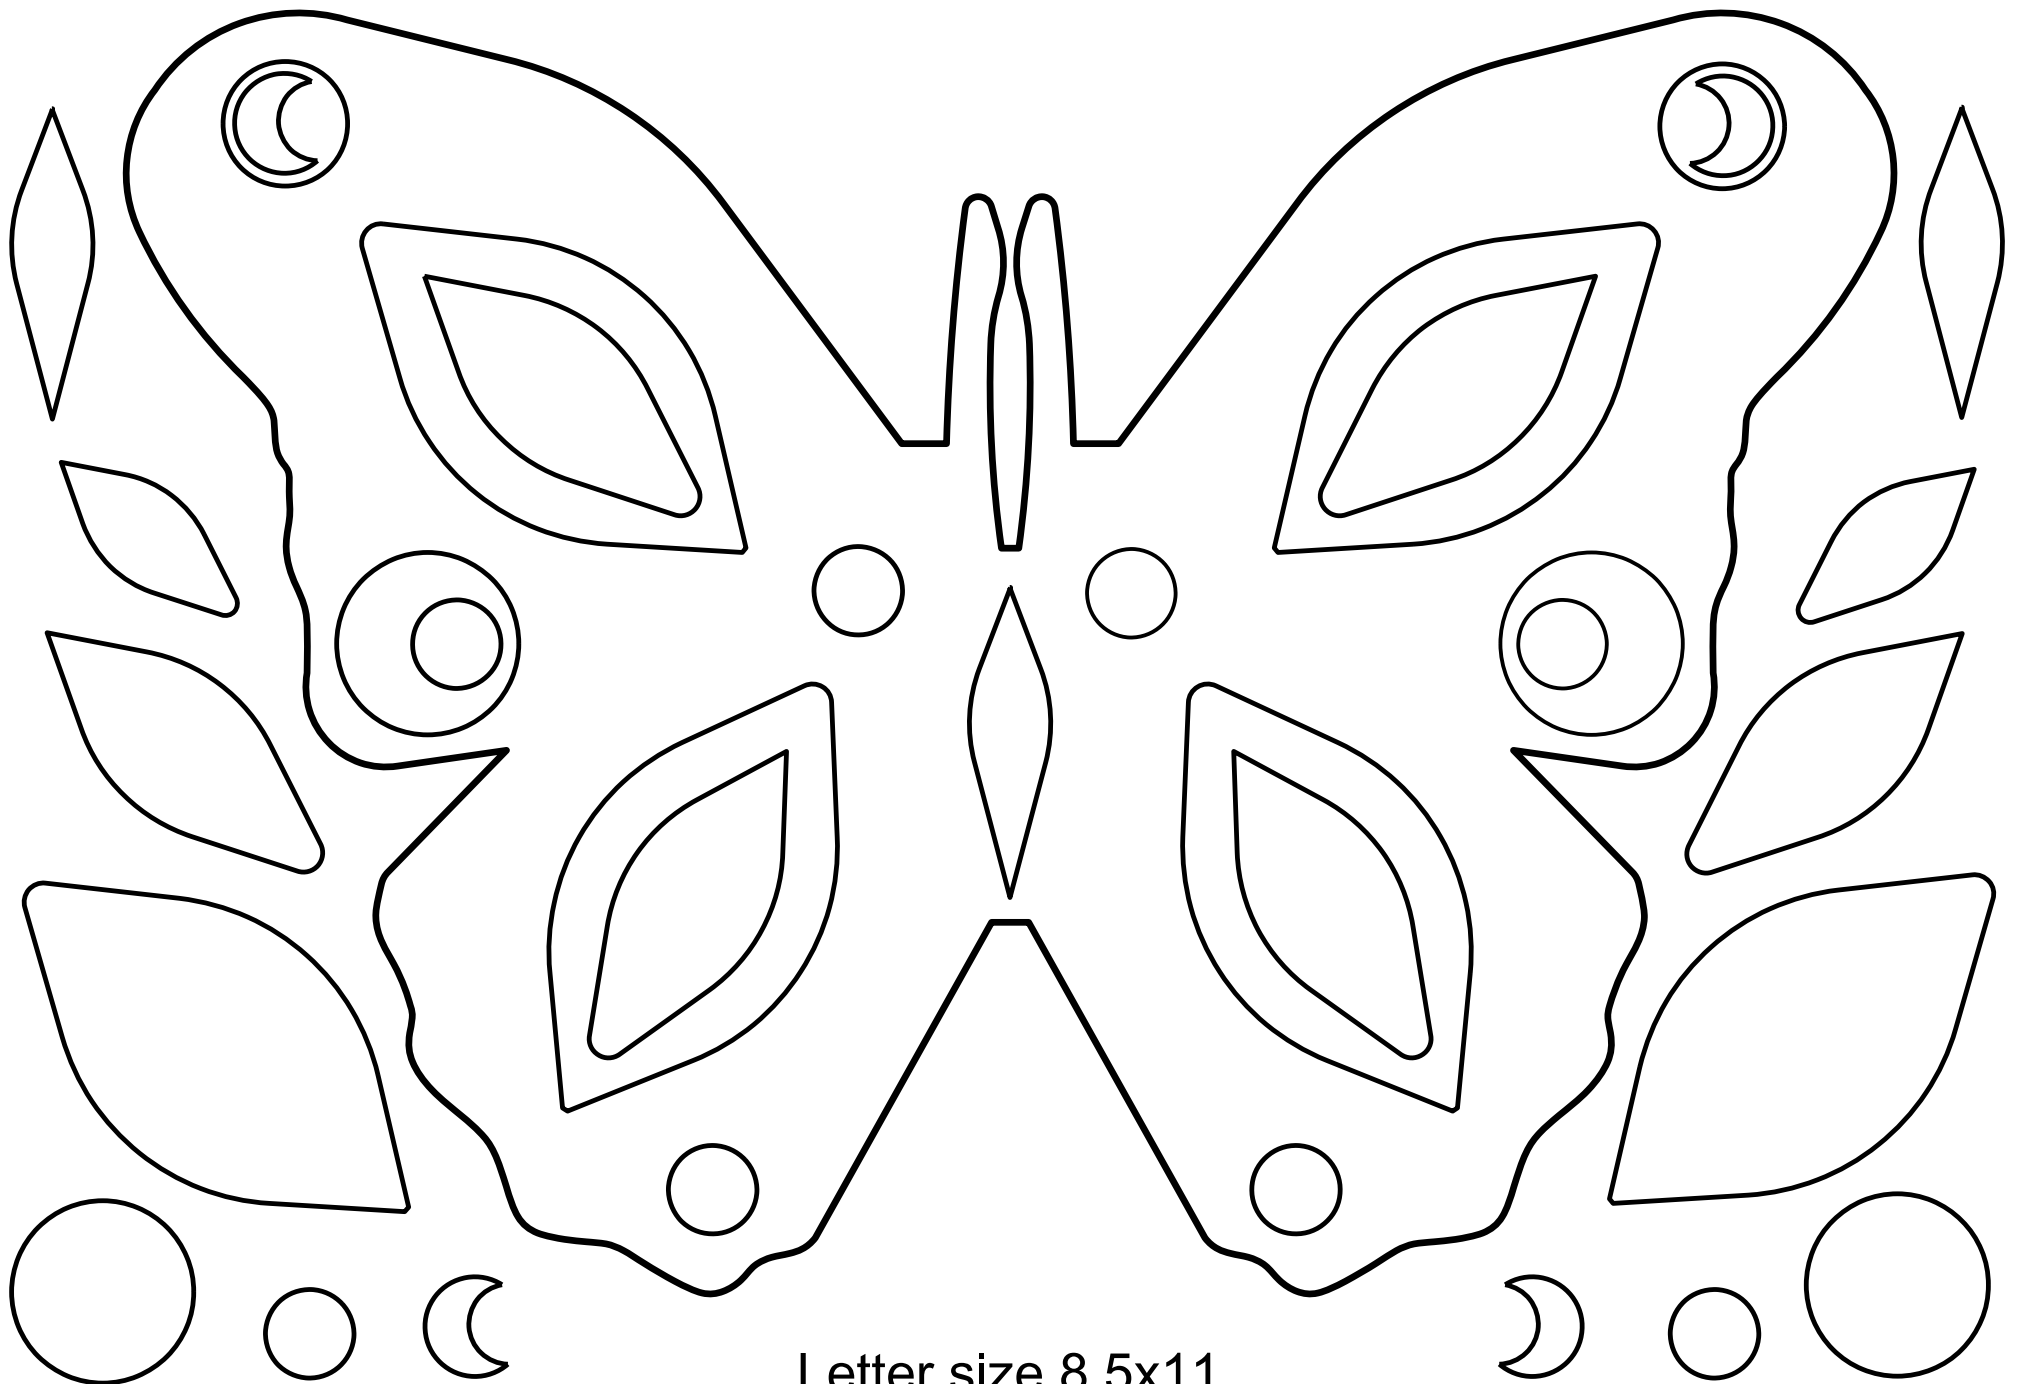

3 - Punch 2 holes on the TP tube.

5 - Glue the TP tube in between the 2 butterflies.

2 - Cut TP tube to fit inside the butterfly
