Landmark Center COVID-19 Safety Protocols and FAQs for Visitors

Landmark Center is delighted to welcome you back to browse our exhibits and peruse our history. Beginning February 3, visitors may visit Landmark Center Wednesday, Thursday, Friday and Sundays (12pm - 4pm). For the safety of our guests and staff, staff will limit the number of guests admitted during those times and may cut off access if capacities are reached.

In accordance with Minnesota Governor Walz' executive order 20-81 mandate, **all guests** must wear face coverings in this public building. We recommend guests bring their own, but we will supply one to any guest who needs a covering. Guests may tour the art and history galleries and explore the building-wide interpretation of "Uncle Sam Worked Here." While browsing, guests are expected to follow social distancing guidelines, and observe posted gallery and courtroom guest count limits.

Visitors with special requests or in need of the accessible entrance can notify us at booking or call Sydney at 651-292-3063.

Plan Your Visit

When visiting any public place during this pandemic, there's always a risk of exposure to COVID-19. When visiting Landmark Center, you voluntarily assume all risk knowing that COVID-19 is extremely contagious, and that for some people it can lead to severe illness and even death.

If you plan to visit Landmark Center to tour the building and exhibitions, or other public offerings, your admittance comes with the expectation that you are healthy to the best of your knowledge; you respect all current mandates, to include wearing a face mask, following social distancing and safety protocols that are maintained throughout the facility; and that you vacate the building in a timely manner to allow others to experience the building.

When visiting, you agree to the following protocols:

- Please stay home if feeling sick, have COVID-19 symptoms, or have been exposed to someone with COVID-19.
- You will be required to wear a mask while in the building. We encourage you to bring your own, but will supply you with one if needed. This is in accordance to the Governors Executive Order 20-81 mandating face coverings be worn in indoor public spaces to prevent the spread of COVID-19.
- Maintain social distancing – at least 6ft between others – including teachers, program participants or speakers, building staff, and other visitors. Limit use of elevators to just your group only. Adhere to posted gallery limitations.

- Be sure to cover coughs and sneezes, avoid touching mouth, nose, and eyes, and wash or sanitize hands frequently throughout your visit.
- Sanitization Stations will be available throughout the building, and upon entry.
- Use the Fifth Street entrance to Landmark Center for access to the building. You will be greeted by Landmark Center staff at the door. If you need to use our accessible entrance located on Market Street, please use the “Alert” button to notify the security staff, and staff will greet you there. You can also call us in advance at 651.292.3225 to organize a designated arrival time.
- Shared food or beverages are not allowed.
- You agree to NOT ALLOW access to any other persons to enter the building at any entrance/exit of the building.
- **You agree to communicate these rules and protocols to all members of your group.**
- Visitors who become ill during the visit should immediately quarantine and return home as soon as possible. A touchless thermometer is available for use if needed.

Landmark Center will:

- Limit guest count based on allowed capacity.
- Monitor all building access to ensure space for social distancing.
- Post where limited access is necessary.
- Sanitize high-touch surfaces during building hours frequently along with increased public space cleaning schedules.
- Provide touchless sanitization stations on each floor near the elevators.
- Provide face coverings if a guest does not arrive with one.
