**ST. PAUL, Minn. (Jan. 4, 2021)**—Travel enthusiasts and the culturally curious can mark their calendars for five virtual international adventures. The 2021 season of Landmark Center's "Urban Expedition" series kicks off on January 17, 1 p.m. with virtual events. "Urban Expedition" is always free and features crafts, exhibits, music, dance and food.

"Urban Expedition comes to life by partnering with local organizations. Each season is a wonderful showcase of the diversity in the Twin Cities community," said Judy Brooks, Community Programs Director. "As the pandemic continues and families are continuing to stay home, we hope the virtual events give them an afternoon of at-home adventures. It's a fun way to have a global experience without even leaving the house."
