Saint Paul walking tours are back

Take a free Saint Paul Walking Tour from Landmark Center

SAINT PAUL, Minn. (May 6, 2021)—Landmark Center’s Saint Paul Walking Tours return in June for residents and visitors. Tour participants can explore the Rice Park neighborhood and the beautiful Mississippi riverfront on alternating Wednesdays at 10 a.m., June - August. The tours are free with required pre-registration.

The Rice Park Tour, held the first and third Wednesday of each month, beginning June 2, circles one of Saint Paul’s most iconic parks, and observes the surrounding buildings that gave the park its central role in city events and celebrations.

The Great River Tour, held the second and fourth Wednesday of each month, beginning June 9, walks along the mighty Mississippi, highlighting buildings and locations that helped make Saint Paul the city it is today (note this tour gathers in Upper Landing Park, not Landmark Center).

Landmark Center’s Saint Paul Walking Tours are free, but reservations are required. The Heart of the City tour will not be hosted this summer due to planned construction along the tour route. The tour groups are limited to 10 participants, and Covid-19 guidelines will be observed. Reservations can be made online at [landmarkcenter.org/saint-paul-walking-tours](https://www.landmarkcenter.org/saint-paul-walking-tours) or by calling Sydney at 651.292.3063.

In addition to the return of in-person tours, virtual Saint Paul Walking Tours will also take place on Landmark Center’s website. The virtual tours are ongoing through August. Guests can watch anytime, from anywhere. The virtual tours are free, and no registration is needed.
