Ballet Tuesdays Continue in 2022 at Landmark Center
The Popular Lunchtime Series Gets Dancers Moving

SAINT PAUL, Minn. (January 11, 2021) – Landmark Center’s Ballet Tuesdays continue in the New Year on February 8. In partnership with Ballet Co.Laboratory, St. Paul’s professional ballet company and school, Ballet Tuesdays is a favorite of families with little dancers and lovers of dance. Guests are treated to a special performance and audience participation gets dancers moving with steps and music. Ballet Tuesdays occur on the second Tuesday of the month in February, March, and April. Each event begins at 12 pm and is free to the public.

Dancers lead this popular lunchtime series by performing excerpts from the company’s repertoire that highlight upcoming shows of their current season. February’s performance provides an adorable sneak-peek of “Lunar Lullaby (an Ode to Goodnight Moon).” This contemporary ballet follows a bunny’s bedtime ritual of saying “goodnight” to friendly critters. The March performance will feature “The Four Seasons of Vivaldi” to bring to life Antonio Vivaldi’s violin concertos. “Firebird” is April’s preview and takes guests into the depths of an enchanted forest where virtuous and malicious forces hide.

After each performance, the choreographers and dancers share their joy for dance by breaking down pieces of their routine for audience members to learn themselves. All ages and skill levels are welcome to participate.
