Celebrate the Culture and Traditions of China at the First Urban Expedition of 2022
Landmark Center's Beloved Travel Series Returns In-Person

SAINT PAUL, Minn. (January 7, 2021) – The 2022 season of Landmark Center's popular Urban Expedition series begins on January 16 with a focus on China. As part of the *Sundays at Landmark* series, Urban Expedition provides community members the unique opportunity to immerse themselves in cultures from around the world. Other countries featured this season includes Ghana (February 13), Greece (February 27), Peru (March 20), and Italy (April 24). All Urban Expedition events are free and open for the public to enjoy from 1-3 pm.

In partnership with CAAM Chinese Dance Theater, Urban Expedition China presents authentic Chinese cultural experiences. Enjoy live dance performances featuring traditional clothing and learn about notable Chinese-Americans from educational displays. Honor the Year of the Tiger by crafting a Chinese zodiac animal banner and a tiger face mask. Guests are also invited to get a photo for their complimentary "passport" that can be stamped at all of the Urban Expedition events for the chance to win a special prize.

"We're thrilled to have in-person events return to Landmark Center," said Alicia Wiesneth, Community Programs Director. "After a year of fully virtual Urban Expeditions we are excited to welcome our cultural partners and community members back to the building to explore global experiences right here in Saint Paul."

Urban Expedition is sponsored by Ramsey County, Ecolab, Xcel Energy Foundation, RBC Wealth Management, and Hubbard Broadcasting Foundation, with additional support from Travelers and Global Minnesota. For more information visit landmarkcenter.org/urban-expedition or call 651.292.3063.
