An Important Update to Landmark Center Community Programs Scheduling
Urban Expedition China Postponed, Black Sea Odyssey Made Virtual

SAINT PAUL, Minn. (January 13, 2022) – In an effort to keep Landmark Center’s community partners and visitors safe, and due to the recent surge in COVID-19 Omicron cases, several Community Programming changes have been made.

Urban Expedition China - originally scheduled for January 16, 2022 - has been rescheduled to February 20, 2022 from 1-3 pm. Landmark Center looks forward to celebrating the cultures and traditions of China in partnership with the amazing CAAM Chinese Dance Theater at a safer time.

Black Sea Odyssey - originally scheduled for February 20, 2022 - has been moved to a virtual event with the help of community partner Ethnic Dance Theatre. There will be no in-person program for this event, but the program can be enjoyed from the comfort of everyone’s homes. Virtual programming information for the Black Sea Odyssey event premiere will be made available at the end of March 2022.

Please continue to visit landmarkcenter.org for the most up to date information on scheduling. Landmark Center staff appreciates the community’s understanding and hopes to see everyone safely at an upcoming Community Program soon.
