Once Upon a Time in Paris

Every year, Landmark Center opens its doors to thousands of individuals and families from diverse backgrounds for free arts and cultural programs. Minnesota Landmarks’ goal is to enhance the community’s quality of life through a broad range of affordable arts programs that celebrate the richness, cultural diversity, and collective history of our community.

These goals are made achievable through the generous support of donors and sponsors. Funds from the Gala support our mission of managing Landmark Center as a dynamic, historic cultural center in the heart of downtown Saint Paul.

As we embark on a new age for our annual fundraiser, we are transitioning from celebrating decades to immersing guests in the cultures of different countries and cities, much like our popular Urban Expedition series. Our first city of focus will be Paris!

Join us to celebrate the beginning of a new era of Galas through sponsorship of the 11th Annual Landmark Center Once Upon a Time Gala, on Friday, November 3, 2023.
